Dear Professor

Greetings from TCS!

EngiNX 2018: The Digital Twin An Engineering Innovation contest from TCS - Engineering and Industrial Services & Internet of Things Business Units is Back!

Please find below the important details:

Participant Registration and Team Formation: Registration Ends On: 22nd April, 2018, 18:30 UTC

Participation Guidelines

This stage involves registration and completion of team formation for the contest

- Contest registration is open to students graduating in 2019 and 2020. As this is a team event, you are required complete team formation to participate further in this contest.

- Each team should have 4 members.

- The team members can be from the same discipline or may be inter-disciplinary.

- Teams have to be from the same college/institute.

Request you to cascade the information to all the eligible candidates and ensure maximum registration
